

Jesse Carriger

Over the last 25 years, Jesse has held a variety of leadership positions in the FAA's Office of Airports and is assisting with the Bipartisan Infrastructure Law (BIL) implementation efforts for the FAA. He is also concurrently the Manager of the Texas Airports District Office.

Jesse previously served as the National Manager of the Airport Improvement Program in Headquarters, where he managed the daily operations of our \$3.35 billion grant program. Outside his Headquarters experience, Jesse served in a variety of regional and field leadership positions and has been a Part 139 certification/safety inspector early in his FAA career.

Jesse holds a degree in Business Aviation from Parks College of St. Louis University and a Master's in Business Administration (MBA) with an emphasis in Finance.

Advancing the safest, most efficient airport system in the world!
