

Andrew Kuchel
Chief Strategy Officer
Mesotech International
akuchel@mesotech.com
510-579-6035

Andrew brings a wealth of aviation experience across a broad range of innovative solutions for security and safety at airports. His role at Mesotech is to modernize the traditionally stagnant and limited non-Federal FAA Certified AWOS offerings. With over 30 years as the prime contractor for 300+ USAF/Army aviation weather systems globally, Mesotech is bringing cutting edge technology and capabilities to the civilian aviation market,
