

BIOGRAPHY

BRIAN PEDA, P.E., Vice President

Brian Peda, PE, Vice President, serves as an Area Market Leader for the Central Pennsylvania Region at Urban Engineers, Inc. He has nearly 17 years of experience in construction management, with a primary focus on aviation, highway, and building projects. His extensive field background provides valuable insight during the design phase of projects, allowing him to provide effective constructability reviews. Brian holds a Bachelor of Science degree in Structural Design and Construction Engineering Technology from The Pennsylvania State University. He resides in Hershey, Pennsylvania, where he enjoys an active family life with his wife and four sons, spending their free time skiing, traveling, and pursuing outdoor activities that match the energy of a busy household.
