

Justin Fox

Regional Manager – Airport Affairs

Southwest Airlines

Bio – Graduated from the University of Oklahoma with a Bachelor of Science in Aviation Management, joined Southwest Airlines 15 years ago in Ground Operations where I spent 10 years in various Leadership positions across the country from SFO, SAN, LGA to DAL. Then in 2020 I joined the Airport Affairs Team at our HDQ office. In 2021 I completed a Master of Commercial Aviation degree from Delta State University. I am also a Certified Member (C.M.) of AAAE. Currently, I oversee the negotiation of airport use and lease agreements while ensuring SWA is setup for success by securing airport and non-airport real estate needs. My portfolio of airports ranges from BWI to GEG.
