

Director of Finance

The Lee County Port Authority

Description: The Lee County Port Authority (LCPA) is seeking a Director of Finance. The Director will direct and manage the financial, accounting and budgetary functions for the Authority. This position is responsible for managing and maintaining all financial, accounting and budgetary systems involving a large volume of transactions. The Director is also responsible for processing and analyzing all financial records, requiring the applications of established financial and general accounting principles, theories and practices and the application of the specific requirement placed on accounting within a governmental unit.

Minimum Requirements: A Bachelor's degree in finance, accounting, business or closely related field is mandatory, and an MBA and/or CPA is preferred. Five to ten years of progressively responsible financial experience necessary. Experience at a commercial airport is required for airport financing and PFC applications. Accredited Airport Executive (AAE) certification from AAE is a plus. Possession of a valid Florida driver license is required.

Salary/Benefits: The starting salary range for this position is \$101,000 to \$142,641 and is accompanied by a very attractive benefits package.

Submission Deadline: Open Until Filled
