

Applicant shall type application and submit it to NEC/AAAE, 230 Washington Ave Ext. Suite 101, Albany, NY 12203 or by email to info@necaaae.org.

IMPORTANT: A recommendation from Chapter Advisor or Professor must be completed on this application at the time of submittal for Grants. This application must be accompanied by the two requested letters of recommendation (letter can come from the Club Advisor), copy of college transcript (or statement that college has been requested to forward a copy directly to the NEC/AAAE) and proof of enrollment

Due Date: February 1 and October 1 of Current Year

Two \$1,000 Grants may be awarded a year. Hands-on experience in an airport environment complements the Airport Management Student's educational experience. Internships are usually for three months but may be extended, on the mutual agreement of the airport and intern. Interns will be exposed to specific areas of airport administration on varying levels at an airport in good standing with the Chapter.

ELIGIBILITY: Students aspiring to a career in airport management or recent graduates wishing to gain experience in airport management. Limited to any student who is a member of NEC/AAAE.
