AAAE

MARCH 27-29, 2019 | HERSHEY, PA

EXPAND YOUR REACH!

The Airports Conference is an opportunity to diversify your network by interacting with government officials, airport owners and managers, consultants, contractors, and material testing laboratories personnel. The conference provides discourse on airport programs and policies as well as offering practical learning by experts in the airport industry.

Topics at the conference have included airport planning, design, finance, management, safety, environmental issues, engineering, and field lighting. The conference will focus on the leadership skills necessary to plan, develop and execute a safe and efficient regional airport system that satisfies the needs of its constituents with due consideration for economics, environmental compatibility, local property rights, and safeguarding the public investment.

EVENT LOCATION & HOTEL RESERVATIONS

The Hershey Lodge and Function Center is located in Central Pennsylvania, just 20 minutes outside of the capital city of Harrisburg. Dubbed, “the town that chocolate built,” Hershey has a plethora of local attractions! You’ll want to book your hotel early as the Lodge is one of the official resorts of Hersheypark! How’s that for a sweet perk?

A block of rooms for conference participants has been reserved from Wednesday, March 27 to Friday, March 29, at a rate of \$165 per night plus applicable taxes. Space is limited, so we recommend making your reservations early – no later than March 5, 2019. **Reservations can be made by calling (717) 533-3311 or (800) 437-7439;** a dedicated website for conference participants will also be available. Reservation requests received after the block has been filled, or after the March 5th deadline, will be accepted on a space-available basis.

With advanced notification, the Lodge provides airport transportation to and from Harrisburg International Airport; please contact (717) 533-3311 or (800) 437-7439 to schedule. If you are driving, there is ample parking available at Hershey Lodge for no additional fee.

COMPLETE TREATS: EVENT SPONSORSHIPS

ICE BREAKER RECEPTION - \$5,000

The sponsorships allows for a company to have sole promotional material at the Wednesday Welcome Reception with sponsors. This material includes cocktail napkins with company logo, signage at the bar, event signage and recognition in the conference program. This is the first official receptions where all conference members have the chance to network.

THURSDAY RECEPTION - \$5,000

This is the final large-scale event of the conference. Similar to Wednesday’s Icebreaker, this reception will provide promotional material for cocktail napkins with company logo, signage at the bar, even signage and recognition in the conference program. Leave everyone at the conference with a great impression and strong brand recognition.

BREAKFAST OR LUNCH (THURSDAY OR FRIDAY) - \$3,500 (PER MEAL)

Hershey may be known as the town chocolate built, but sponsor one of the meals and provide your fellow attendees with the sustenance they need to take advantage of the conference you helped build. Your companies name and logo will be on cocktail napkins, signage on break tables, regular event signage and you will be listed in the conference program.

BREAKS (3) WITH EXHIBITORS – OVER TWO DAYS - \$3,500

Variety is the spice of life and sometimes you need a bit of a break which is why sponsoring these breaks is a great way to get your company, prominently displayed on signage, cocktail napkins and within the conference brochure, noticed.

5K RUN - \$1,000

Hershey Lodge assures us that we’ll never run out of things to do. Take this opportunity to memorialize that by sponsoring a 5k run through the beautiful resort. Each participant will receive a t-shirt with your company logo as the primary sponsor of this event with all other conference sponsors also displayed to wear long after the smell of chocolate has faded.
