

Shannon Davis, C.M., IAP

Airport Operations Manager

Atlantic City International Airport (ACY)

United States

sdavis@acairport.com

Shannon Davis has 18+ years' experience in the field of Airport Operations and Airport Management.

In her role as Airport Operations Manager at Atlantic City International Airport, Shannon manages the Operations department including 14 CFR Part 139 and FAA compliance, 49 CFR Part 1542 and TSA compliance, Capital/Operating budget planning, airport projects, Snow Removal Operations, and a multitude of duties to ensure the safety and security of the airport.

Atlantic City International Airport is a small hub commercial airport currently serving destinations along the southeast coast to 1 million passengers annually. The airport is shared-use with the 177th Air National Guard Fighter Wing, U.S. Coast Guard, and is partnered with the FAA Technical Center on airport property.
